

SUNDAY SCHOOL submitted by Susy Pawl Following Easter the Sunday School children have focused on 'The Great Commission' in which Jesus gave the disciples the mission of spreading His teachings to all people. The children completed several service projects to put this story and task to action. This included the event held on the last day of Sunday School before summer break in which the children hosted a Bake Sale Fundraiser for the World Wildlife Fund. For the event the kids prepared posters about an endangered animal of their choosing and presented them to the congregation. This was followed by the kids packaging up baked treats for a donation to the World Wildlife Fund. The bake sale raised \$91 all of which has been donated to the World Wildlife Fund. Thank you to the kids for doing a fabulous job learning, sharing, and giving. Thank you to our supportive and generous congregation. Members of church will also be able to 'check out' backpacks from church containing the information on the endangered animal and a stuffed animal. The goal is for the Sunday School children to continue to share the information with others by showing it to family and friends before returning to the church so another child may 'check out' the backpack. There are 5 backpacks being prepared. There will be a sign out sheet to track each backpack and instructions. Vacation Bible School With Sunday School officially on break for the summer, we now look forward to Vacation Bible School. VBS will be taking place the week of June 24th on a couple of afternoons. If you are interested in your child/children attending, please reserve a spot by contacting Susy Pawl at [susypsnuflles@gmail.com](mailto:susypsnuflles@gmail.com) or calling 655-3437. The teachers are still working out details but there will be Bible stories, games, and crafts and it will be awesome! When you reserve a spot, we will contact you with additional information. Thank you!
